

Lincolnshire
Care Association

Welcome to **LinCA**

If you're interested in growing your organisation within the care sector... you've come to the right place!

Here at LinCA, we're a not-for-profit membership body supporting care providers of Domiciliary Care, End of Life Care, Learning Disabilities, Mental Health, Nursing Homes, Residential Care Homes and Supported Living.

We exist to help our members get their voices heard, both locally and nationally, helping provide better care across Lincolnshire. We play a key role in promoting a positive image of the care sector, ensuring there is quality and choice in the provision of care services within our region

How we work for our members

Over the last couple of years, I don't know how we would have managed without the help of LinCA. They have been invaluable with their wealth of information, wading through all the guidance on our behalf and keeping their fingers on the pulse - and are always fighting our corner. I would highly recommend them!

Jilly Hunt, Ashdene Care Home

What we've achieved:

- ✓ Worked alongside local government to develop the value of quality care in the region
- ✓ Hosted our annual Lincolnshire Care Awards since 2017, recognising the amazing work of front-line care providers across the county
- ✓ Supported the recruitment of Nurse Associates, bridging the skills gap between care assistants and registered nurses and encouraging many to complete their nursing degree apprenticeship
- ✓ Established the Care Home Trusted Assessor service at acute hospitals across Lincolnshire, supporting more effective and efficient discharge arrangements for patients returning to or moving into care homes

- ✓ As part of the Better Security Better Care programme, we've helped many providers complete their Data Security and Protection Toolkit
- ✓ Engaged and represented our members with stakeholders regionally and nationally across the wider health and care system
- ✓ Our CareinLincs recruitment website has become the go-to place for our members to advertise job vacancies
- ✓ Consistently delivered education and training courses to the Lincolnshire care sector

LinCA offers our nursing home a lot of benefits... and over the last 2 years since Covid appeared, our membership has been invaluable. I would recommend without hesitation that all care providers in Lincolnshire give serious consideration to LinCA's membership offer, as the greater the LinCA collective becomes, the greater our impact for all members.

**Chris Bainborough, Grosvenor House
Care Home**

What can we do for you?

Becoming a LinCA member allows your organisation to be part of a progressive and influential network, working together to deliver the highest standards of care and playing an active role in the county's wider social care community. Our member perks include:

- Exclusive access to regular networking events
- Access to members-only sector-specific workshops
- Opportunity to take advantage of our support services from industry experts to help you in matters such as finance, legal, catering, management software, pain assessment tools, healthcare and janitorial supplies
- A business listing on the Looking for Care website portal
- Free membership of CareinLincs recruitment support platform
- Free tickets to our LinCA Annual Conference
- Benefit from expert advice from professionals in the Nursing Home, Learning Disabilities, Domiciliary and Residential Care sectors

Join our existing network of over 130 members across 200 different service locations, and become a LinCA member today!
